Dear Parents,

You will now have a new way to access key information about your child's progress in school. With a [NYC Schools](#) account, you will be able to view your child's attendance, grades, and contact information in one of ten languages on a computer, cell phone, or tablet. You must be your child's parent or legal guardian and live at the same address to create an account. If you have more than one child attending a NYC school, you can create an account for all of them in one visit.

You first need to complete the attached NYC Schools Account Registration Form. Then, you must set up an appointment with me, Jenny Cho, the Parent Coordinator of MS 67. I will be available throughout the summer, for your convenience. Please note that if you want to open your account when your children return to school, there might be a delay due to the volume of requests. My email address is: XCho@schools.nyc.gov. My school telephone number is: (718) 423-8138 ext.8. When you come for your appointment, you must bring photo identification (Passport, Driver's license, IDNYC). Please see attached for further information.

I look forward to working together with you.

Sincerely,

Jenny Cho
Parent Coordinator
