

Welcome back to school, parents!

Great news! Our school will be participating in the Box Tops for Education™ program again this year. Clipping Box Tops is an easy way for you to help our school with what it needs. Box Tops are each worth 10¢ and they quickly add up to real cash for our school. This school year, our school's earnings goal is \$1,000. Let's surpass our goal this year!

You can help -- just look for pink Box Tops on everyday products, clip them, and send them in to school. **Students can submit them into the collection boxes set up in every homeroom.** We are having a contest for the homeroom that earns the most for the school. Winning prize will be an ice cream celebration at the end of the year. Last year, Class 723 won with 692 box tops collected!

For more information on the Box Tops for Education program, including a list of participating products and to keep track of our school's progress, visit www.BTFE.com. Be sure to become a member and log in to receive exclusive coupons and recipes and learn about extra ways for our school to earn. Enter contests on the website to help our school earn even more!

We hope you're excited for everything we can do this year with Box Tops! If you have any questions, please don't hesitate to contact Andrea Choi and/or Olga Doban -- PTA Box Top Coordinator at contact@ms67.org. We're here to make our school's Box Tops for Education program a huge success this year.

Remember to also invite your family, friends and neighbors to help clip box tops for our school! Every box top clipped is money for our school.

Thanks for your help!
