"HOPES & DREAMS"

As the New Year begins, it is an ideal time to share a special evening with your children at a creative **Hopes & Dreams Parent & Child Workshop** hosted by PS 221.

Parents are invited to come explore the hopes and dreams they have for their children, **Values** they hold dear, and listen as their children **outline their personal goals**. Then have fun crafting a **Shared Vision Board** with your children.

- ❖ **Discuss short-term goals for the year**
- ❖ **Hopes to strive toward as a family**
- ❖ **Have interesting discussions with your children about where they see themselves going**

We are inviting **families of school-age children** from our school, PS 221, as well as our neighboring schools PS 94, PS 98, and MS 67.

Kindly let us know if you plan on attending, by RSVPing to your school's Parent Coordinator, so we can plan accordingly.

---Return tear-off by Jan. 15 to Mrs. Kirchhofer, Mrs. Govier, Mrs. Katehis, Mrs. Cho
