Help is Make Our House a Home

Dear MS 67 Community,

This year, the Student Organization has decided to take part in RMH fundraising for the following reasons. **The Ronald McDonald House needs YOUR HELP!** Families living at the Ronald McDonald House of New York house help families gain a home, and medical attention for their children, but they still need basic necessities. That's why we need your helps to give these families those items. (Travels sizes are recommended) You can also write a welcome note for these families.

Since founding in 1978, Ronald McDonald House® New York has provided temporary lodging and care for more than 35,000 families while their child battles cancer.

When families must travel to New York City for the advanced cancer treatment they can't get anywhere else, they can find a loving place to stay at our House. We're proud to provide a supportive, caring place that keeps families close when they need each other most.

We want to make a difference in someone's lives. So we are asking you to donate following items. We will then add it to the welcome bags.
