The making of the MS 67 International Cookbook

The MS 67 International Cookbook is underway and we need your help. We will be collecting and compiling recipes received from our school community for the next 6 months. This memorable keepsake will be packaged and marketed for the 2019-2020 school year. Please take a few minutes to pull together a recipe that your family uses. If there is a cultural history or story behind the recipe, please share it as we would love to include details if space allows. We are taking all recipes, so if you have a “healthy” treat like “Zucchini Brownies” we would love for you to share it. This future fundraiser will include our MS 67 family recipes, stories and cultures that will be warmly received by many.

Recipes can be sent emailed to MS67fundraising@gmail.com or a hard copy (envelope to read MS 67 PTA-Recipe) can be sent in with your child and given to their homeroom teacher. Please be sure to include your affiliation with MS 67 (child’s name and class, year graduated, teacher...). Also, any cultural information that would go with your recipe would be appreciated too.

Bon appetit,

The Fundraising Team
