Dear Louis Pasteur Middle School 67Q Community:

It is with immense pride and joy that I share with you the incredible news that our school has been honored with the 2024 National Blue Ribbon by the United States Department of Education! This recognition was announced by Secretary Miguel Cardona and his staff at 1:00pm today, and it is a testament to the dedication, hard work, and commitment of our entire school community. This includes our talented teachers and staff, our motivated students, and our supportive parents and families. Being awarded this distinction is an acknowledgment of our collective effort to provide an exemplary learning environment where academic excellence and personal growth are nurtured daily.

This achievement speaks volumes about the strength of our partnership as a school community. Our teachers and staff have continuously gone above and beyond to ensure that every student is supported, challenged, and inspired to reach their highest potential. Our students have demonstrated resilience, curiosity, and a commitment to learning, and our families have been unwavering in their support and collaboration. This award recognizes the hard work that takes place both in and out of the classroom and celebrates the positive impact we've made together.

As we celebrate this amazing milestone for the first time in our school's rich history, let it inspire us to continue striving for excellence. We are deeply honored to be recognized at the national level, and we will continue to foster a school environment that remains inclusive, innovative, and focused on the success of every student.
